# Presenters

---

**Courtney Crain, MD, FACOG** attended medical school at Marshall University Joan C. Edwards School of Medicine, where she continued her residency training. She then continued on to Baylor College of Medicine for fellowship training in Pediatric and Adolescent Gynecology. Dr. Crain is faculty at Marshall University where she treats patients with pelvic pain, menstrual disorders, concerns with development, vulvar itching, labial adhesions, straddle injuries, contraceptive counseling and many other gynecologic issues in children and teens.

---

**Rachel Marjorie Cullifer, MD** received her medical degree at West Virginia University School of Medicine. She completed her residency in Obstetrics and Gynecology at University of Maryland Medical Center. She completed her fellowship training in Minimally Invasive Gynecologic Surgery at Christiana Care Health System in Newark, DE. She is currently Assistant Professor at WVU Physicians of Charleston, CAMC where she specializes in minimally invasive gynecology, endometriosis, pelvic pain, and infertility.

---

**Jesse N. Cottrell, MD, MSc, FACOG** attended medical school at American University of the Caribbean School of Medicine in Cupecoy, St. Maarten. He completed his residency in OBGYN at Marshall University Joan C. Edwards School of Medicine. He continued his training at University of Mississippi Medical Center where he received his fellowship in Maternal Fetal Medicine. Dr. Cottrell is faculty at Marshall University where he is fellowship trained in caring for high-risk pregnancies, including cases of preterm labor, placenta previa, miscarriage risk, multiple births, preeclampsia and gestational diabetes. He also specializes in ultrasounds, fetal echocardiograms and non-stress tests.

---

**Omar Duenas Garcia, MD, MPH** earned his medical degree from the Benemerita Universidad Autonoma de Puebla and his Doctorate of Medicine at Universidad Nacional Autonoma de Mexico.

Dr. Duenas completed his residency in obstetrics and gynecology at Bronx Lebanon Hospital - Albert Einstein College of Medicine. During his last year of residency, he served as administrative chief resident. Dr. Duenas then pursued a fellowship in Female Pelvic Medicine at Umass Memorial Center - University of Massachusetts. Where he also obtained a master's degree in public health.

---

**Kristen Hornsby, MD** practices general Obstetrics and Gynecology at West Virginia University where she is an Assistant Professor. She completed her residency at West Virginia University School of Medicine and received her medical degree from Quillen College of Medicine of East Tennessee State University. She currently serves as the Clerkship Director at WVU School of Medicine.

---

**Shon Rowan, MD** received his medical degree at West Virginia University School of medicine, where he completed his residency. Dr. Rowan works as an Obstetrician Gynecologist at West Virginia University, where he is an Associate Professor. His practice focuses on infertility as well as robotic surgery. He has served as Program Director and as the Medical Director for Quality Improvement. Dr. Rowan is currently WV Section Vice Chair for ACOG. He lives in Morgantown with his wife Michelle and their 3 children.

---

**Robert Shapiro, MD** received his medical degree at West Virginia University School of Medicine, where he also completed his residency in obstetrics and gynecology. He is board certified by the American Board of Obstetrics and Gynecology on Obstetrics and Gynecology, as well as Female Pelvic Medicine and Reconstructive Surgery. As faculty member at WVU, he is an associate professor as well as an adjunct professor of Urology. He has served as Program Director for the residency at WVU. Dr. Shapiro specializes his practice in in urogynecology, female pelvic medicine and reconstructive surgery, and clinical focus in hysterectomy, robotic surgery, and urinary incontinence.

---

**Marc E. Williams, JD** Marc is the managing partner of the West Virginia office and is a team leader. He handles complex cases nationally in an array of litigation areas and has had first-chair responsibility for more than 100 jury trials and appeals in his career.

---

**Nadim Bou Zgheib, MD, FACOG** received his medical degree at Lebanese University in Beirut, Lebanon. He completed his residency in Obstetrics and Gynecology at St. Lukes University in Bethlehem, PA. He continued his training to receive a fellowship in Gynecologic-Oncology at Moffitt Cancer Center, University of South Florida. Dr. Bou Zgheib is currently faculty at Marshall University where he is an Associate Professor and Division Chief. Dr. Bou Zgheib holds the SRC Surgeon of Excellence in Minimally Invasive Gynecology as well as the SRC Surgeon of Excellence in Robotic Surgery. He is trained to diagnose, treat, and manage cancers of the reproductive system in women. This can include preventive care, diagnostic services to determine the type and stage of cancer, the creation of a customized treatment plan, and, when determined to be medically necessary, surgical operations to remove the cancerous area.
